## Assistive Devices

Health challenges may seem overwhelming but home medical equipment, assistive devices, or home modifications may be the answer for individuals who are recuperating or just want to maintain their independence. The Independence Store is here to help.

**Lift Chairs** come in every shape and size to offer the perfect fit. Our premium fabrics match nearly every décor and patented technologies give the most comfortable lift and recline experience. Call us or visit our showroom to view our wide selection of chairs.

**Patient Lifts** assist in moving and transferring patients while reducing the physical stress on the caregiver during transfers. Stand up lifts are an ideal product for everyday patient handling, ensuring safety, security and peace of mind for the patient and caregiver. Purchase and rental options are available.

**Ramps** provide efficient and safe accessibility anywhere, anytime you need it. Ramps are available in a wide variety of use in and outside of the home or in your vehicle. Portable or permanent options are available.

## Specialty Services

The Independence Store has a team of experienced and compassionate fitters to help accommodate the special needs of our customers. We offer therapeutic shoes, post-mastectomy supplies, lymphedema management and a full line of orthopedic braces.

*Our team of Certified Mastectomy Fitters* will assist you in choosing the products that will work with your lifestyle and personal preference. We carry a variety of breast prostheses, bras, camisoles, and swimwear from trusted manufacturers.

*Lymphedema is controllable* and we carry a variety of products to aid in the treatment and management of upper and lower extremity lymphedema. Our skilled fitters can even create a custom garment to accommodate your needs.

*Appropriate footwear* is essential for people with diabetes and other foot health concerns. Let our fitters help you find the perfect shoe for your unique style.
